SAME BILLING DAY PART 12PM - 5PM

DIRECT TESTIMONY OF ELOY CASTRO

Eloy Castro is the president and a director of Vision Latina, Inc. ("Vision"). Vision is the proposed assignee in an application to assign the license for KUHD(AM) from Under His Direction, Inc. ("UHD"), which is now pending before the Commission.

My brothers Raul, Gildardo and I leased airtime from UHD on KUHD during the few months before the station went dark, so we were familiar with the station. In the winter of 1995 we approached Mr. Mark Peterson, president of UHD, to inquire about the possibility of purchasing the station from UHD. Mr. Peterson explained that UHD had entered into an agreement with the station's former licensee to take the license back, and until either the transaction was completed or the other party decided not to buy the station, UHD could not negotiate with us.

Mr. Peterson called me on January 31, 1996 to report that the former licensee had decided not to purchase the station, and ask if my brothers and I would be interested in purchasing the station. Mr. Peterson explained that the studio site and transmitter site landlords were both owed back rent, and he told us that we would have to make agreements with them to allow us to use those assets to operate the station. If we were able to come to terms with those two landlords, Mr. Peterson said, UHD would assign the KUHD license to us.

My brothers and I began discussions with the two landlords in mid-February 1996. Shortly after commencing these discussions, we hired a technical engineer to inspect the equipment at the studio and transmitter sites. The engineer reported to us that the equipment was in good condition.

We also decided we would need to form a corporation, so we met with our local counsel and he assisted us in forming Vision Latina, Inc., which was incorporated on March 8, 1996. We decided we also would need special FCC counsel so, upon recommendation from another local AM licensee, we contacted the law firm Brown Nietert & Kaufman on March 6, 1996 to discuss what was involved in acquiring the KUHD license from UHD. After preliminary discussions, we retained the law firm Brown Nietert & Kaufman on March 13, 1996.

By the end of March, we had reached agreements with both of the landlords and with UHD to acquire the station assets and the KUHD license. We therefore instructed our FCC counsel to prepare a formal agreement which included the terms agreed to by Vision and UHD and to help draft an assignment application to the FCC.

finalized, our communications counsel called to report that the FCC had issued an Order To Show Cause and Hearing Designation Order ("Order") against UHD, which was released because UHD had let its authority to remain silent lapse. We re-examined the situation and discussed with our FCC counsel whether or not to go forward with the agreement with UHD and the assignment application.

Counsel reported to us that release of the Order had complicated the situation and that repeated inquiries to members of the FCC's staff indicated that the policy of the staff concerning treatment of applications subject to such Orders seemed to be in flux and subject to internal debate. After considering the situation, we decided to proceed, and authorized our FCC counsel to finalize the assignment agreement between UHD and Vision Latina, and then to file the assignment application. The assignment application was filed on May 24, 1996, and a request for expedited consideration of that application was filed on June 25, 1996. The assignment application states that Vision will commence station operations promptly after grant of the assignment application, but we are negotiating a Time Brokerage Agreement with UHD, which will enable UHD, itself, to recommence broadcast operations as soon as the FCC finds that UHD should retain its license.

DECLARATION

I, Eloy Castro, under penalty of perjury, do hereby declare as follows:

2. The foregoing exhibit is based on my personal knowledge and understanding and is true and correct to the best of my knowledge.

Eloy Castro

Executed this 8 day of July, 1996.
